### Who is Priscilla

Priscilla, also known as Prisca, was one of the earliest known Christians who lived in Rome. The meaning of the name Priscilla is "Ancient."

According to Acts 18:2-3, Aquila and Priscilla were tentmakers, as Paul of Tarsus is said to have been. Priscilla and Aquila had been among the Jews expelled from Rome by the Roman Emperor Claudius in the year 49. Priscilla and Aquila ended up in Corinth (Greece). Paul lived with Priscilla and Aquila for approximately 18 months. Then the couple started out to accompany Paul when he next went to Syria, but stopped at Ephesus (in modern day Turkey).

In Acts 18:24-28, an important evangelist in Ephesus named Apollos is mentioned as one who "taught accurately the things concerning Jesus, though he knew only the baptism of John. He began to speak boldly in the synagogue; but when Priscilla and Aquila heard him, they took him aside and explained the Way of God to him more accurately." Priscilla and Aquila were among the earliest known teachers of Christian theology.

In 1 Corinthians 16:19, Paul passes on the greetings of Priscilla and Aquila to their friends in Corinth, indicating that the couple were in his company. Paul founded the church in Corinth; including their greetings implies that Priscilla and Aquila were also involved in the church's founding of that church. Since 1 Corinthians discusses a crisis deriving from a conflict between the followers of Apollos and the followers of Cephas (possibly the apostle Peter), it can be inferred that Apollos, a Jew from Alexandria, accompanied Priscilla and Aquila when they returned to Corinth.

## The Priscilla Woman's Tours

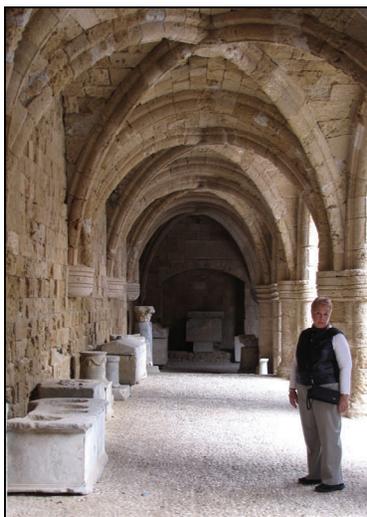

The Priscilla Woman's Tours for Women of Noble character, Faith, and Joy ~ Traveling together for Fellowship, Spiritual Enrichment and Friendship.

Women want to travel if they are single, widowed, divorced, have more time and interest to travel than their husbands or want to be part of this glorious calling of being a woman who seeks God with fellow sisters in their faith.

Patterned after the woman Priscilla from Acts 18; a woman who possessed spiritual strength, grace and love of God and her fellow brothers and sisters in Christ.

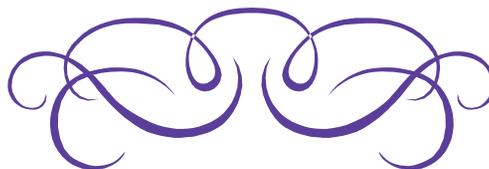

Priscilla was involved in the business world as a tentmaker along side her husband Aquila and the Apostle Paul. She knew life in Rome, Greece and Turkey as she moved from place to place as the Lord directed this godly woman to follow Him.

Priscilla gives us a fine example to follow today as modern women who also want to go and explore, meet and experience the world in a comfortable atmosphere with other modern day Priscillas.

The tours that will be offered for 2010 and 2011 will include special speakers, special entertainment, dramatic performances by professional actors, and much, much more. (These special features will be noted for each travel experience) Some of our travel experiences will be to places important to our faith, some will be to places important to our history as women and country, and some will be for the sheer joy of being a woman and traveling with other women.
